Transport for NSW has identified some ways to improve bus on-time running in Sydney’s eastern suburbs.

Transport for NSW and Roads and Maritime Services asked the community for feedback between March and May 2016 on a proposal to make changes to some bus stops in Sydney’s eastern suburbs. We would like to thank everyone for their comments.

We received feedback from 224 people and organisations. The feedback included comments around access to bus services, additional walking distances and project justification.

**WHAT HAPPENS NEXT?**

We summarised the feedback and our responses in a Community Consultation Report which can be viewed at www.rms.nsw.gov.au/bpp.

The proposal has been modified in response to community and stakeholder comments, including further input from the State Transit Authority. We considered all feedback while finalising the proposal.

We will be removing the bus stops at the following locations:
- Bondi Road near Sandridge Street, Bondi Beach
- Campbell Parade near Queen Elizabeth Drive, Bondi Beach (inbound stop)
- Campbell Parade near Queen Elizabeth Drive, Bondi Beach (outbound stop)

We are modifying the proposal by extending bus stops at the following locations:

We are modifying the proposal by creating new bus stops at the following locations:
- Portland Street near Lancaster Road, Dover Heights
- Military Road near Oceanview Avenue, Dover Heights
We are no longer proposing the new bus stops in Mitchell Street, North Bondi.

We are modifying the proposal by retaining bus stops at:
- Blair Street near Wairoa Avenue, Bondi Beach (inbound stop)
- Blair Street near Wairoa Avenue, Bondi Beach (outbound)
- Murrivere Road near Mitchell Street, North Bondi
- Mitchell Street near O’Donnell Street, North Bondi (inbound)
- Mitchell Street near O’Donnell Street, North Bondi (outbound stop)
- Military Road near Loombah Street, Dover Heights.

We expect to start work at these locations later in 2017 and will notify you before this happens.

The detailed maps in this community update explain the final proposal of changes to bus stops.

**BACKGROUND**

These changes are part of Sydney’s Bus Future, the NSW Government’s plan to redesign Sydney’s bus network to meet customer needs now and into the future. In this plan, our customers tell us that travel time and on-time running are some of the most important service features.

We plan to improve bus journey times by:
- Reducing the number of locations at which buses need to stop by combining or removing some bus stops
- Making it easier for buses to move in and out of bus stops by removing or relocating on-street parking
